## **4.ADVANTAGES & DISADVANTAGES:**

### Advantages:

- We have been learnt strongly about the 17<sup>th</sup> Lok Sabha election which was been held on the year 2019.
- The Lok Sabha is the lower house of the parliament of India.
- The members of the Lok Sabha are elected by the universal adult suffrage.
- The tenure of the Lok Sabha is 5 years.
- In practices, the Lok Sabha is more powerful than the Rajya Sabha.
- This Lok Sabha election also helps in proper functioning of democracy through the system of checks and balances.
- No confidence motion can only be introduced and passed in the Lok Sabha.
- So, it controls the despotism of the government. Money bills can be only introduced in the Lok Sabha election.

### Disadvantages:

- There, is no disadvantages with the Lok Sabha election.
- There are some problems like disruption of the proceeding by Congress members and other members.
- Some members never participate in the debates and proceedings.

## **5.APPLICATIONS OF LOK SABHA ELECTION:**

The primary functions and applications of the parliament is a law-making function. Lok Sabha plays an important part. No bill can become law unless it has been passes by Lok Sabha. In case of any disagreement between the two houses, the will of Lok Sabha will prevail in joint sitting with the Rajya Sabha because Lok Sabha has more members than Rajya Sabha.

- **Legislative Function:** The primary function of Parliament is a law-making function. Lok Sabha plays an important part.
- **Financial Power:** The money bill has to be introduced in the Lok Sabha first, and when passed by the Lok Sabha it is to be transmitted to Rajya Sabha for the recommendation.

## **6.CONCLUSION:**

There I shall conclude my report with lots of creative designing and visual learning about the Lok Sabha election 2019 and I have learnt the main source of the election to be held by our Tamil Nadu government. We have learnt about the Indian General election has given a great support to elect those parties.

## **7.FUTURE SCOPE:**

The suite of the web based and mobile apps stitch the end to end the processes of elections and provide valuable assistance for the decision-makers. The development made in ICT by ECI has laid the foundation for the next general elections to the parliament in the year of 2024.

The ICT applications have been enabled ECI by making communication easier, reducing the time and efforts.
